

## Internet Fraud

# Community 1<sup>st</sup> Bank

*Doing the right thing!*

Community 1st Bank is concerned about your account relationships and wants to make sure you are aware of an Internet Fraud practice called “phishing”. This refers to an illegal activity where fraudulent e-mail messages are sent to various, and often randomly selected, e-mail addresses with the purpose of obtaining personal customer information. This is an attempt to obtain account numbers, Personal Identification numbers, social security numbers, Passwords, and other specifically confidential information for illegal access to customer accounts.

Please be aware that Community 1st Bank will not, for any reason, solicit confidential or sensitive customer information via e-mail.

In the event that you are asked to provide information that relates to any of the type mentioned above via e-mail and/or suspect an illegal or unauthorized request of any kind please contact us at 1-208-457-9610 immediately.
